

## **DP Chemistry & MYP Science Part-Time Maternity Cover**

- Starts Monday, May 9
- Part-time as two DP2 classes gone (Bio & Chem)
- Ends MYP4 Science, Thurs, June 17
- Ends MYP5 Chem, Friday, June 24
- Ends DP1 Chem, end of June 27? (tbc)

Are you looking to join a dynamic IB team in the Paris area? We are an international school with a diverse, global team of IB educators focused on the success and wellbeing of our students. We look for a solid knowledge base of the subject, but also seek candidates willing to work with different pedagogical approaches and colleagues from all over the world. Fully qualified candidates should demonstrate high academic standards and be able to challenge and engage students to meet their academic goals.

We are looking for an IBDP Chemistry and MYP Science teacher for a maternity cover position running from Monday, May 9<sup>th</sup> until Wednesday, June 27<sup>th</sup>. This position involves teaching a DP1 Chemistry class, an MYP4 Science class and an MYP5 Chemistry class. Experience in DP Chemistry would be an advantage. The working & teaching language of the school is English.

### **Ideal Candidates:**

- *Teaching experience at an English-speaking IB School*
- *Degree in Chemistry*
- *IBDP experience and training preferred*
- *Fluent in English, French would be useful for day to day life*
- *Preferably hold an EU passport or have relevant working papers for employment in France*

### **General Information:**

Ermitage is always looking for new talent to add to our team. We look for a solid knowledge base of the subject to be taught, but we also seek candidates willing to work with different pedagogical approaches and with colleagues from all over the

world. Fully qualified candidates should demonstrate high academic standards and be able to challenge and engage students by initiating and facilitating classroom discussions. Ideal candidates hold an EU passport and/or have relevant working papers for employment in France.

Due to the high volume of employment inquiries, we will be unable to personally respond to each candidate. Without a response on our behalf, you may assume that your profile has not been retained.

### **How to Apply:**

We welcome motivated and experienced applicants who are eager to contribute to our unique learning environment. The salary is according to experience. Candidates must be able to provide valid working papers for the EU. To apply please email us your CV, two references, and a cover letter to [opportunities@ermitage.fr](mailto:opportunities@ermitage.fr).

Ermitage follows the ECIS guidelines for recruitment and will require a criminal and global sanctions screening prior to all new hires.
